

Technical Specs

Marking area	200mm(X) x 150mm(Y)
Standard cable length	2M
Head dimensions	308(W) x 269(D) x 249(H)
Head weight	6.3kg

Accessories

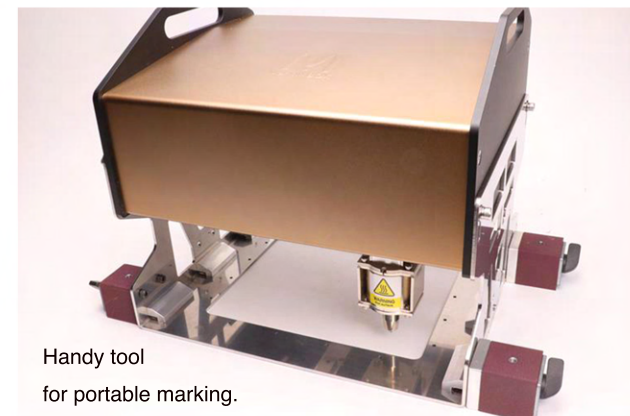

Big Solenoid(BSD) for deeper marking. (option)

MB2015T

The largest marking area in the MarkinBOX series.

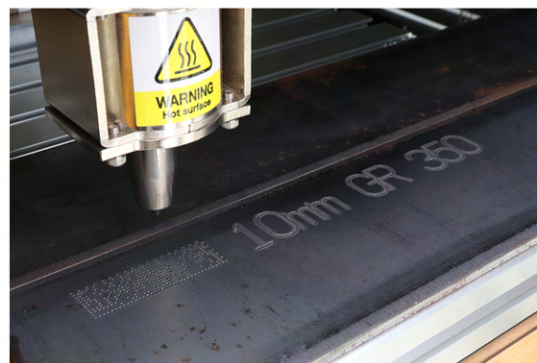

Featuring a marking area of 200mm x 150mm, the MB2015T can mark more information at once, enabling efficient production of multiple workpieces. Like the MB1010T, the marking head is detachable from the tool post, enabling use in benchtop, portable, and automated applications.

Workpiece Sample

Marking on a cast iron plate.

Big Solenoid (BSD) for deeper marking is attachable.

Marking multiple tags at once.
