Accessories

MB3315T

A compact marker designed for easy portability.

MB3315T combines compactness and mobility, making it ideal for installations in limited spaces.

It occupies minimal space even when integrated into automated machines, thereby reducing indirect costs. MB3315T guarantees both efficiency and reliability, making it suitable for use in both on-sites manual operations and automated systems.

Workpiece Sample

The best fit for marking small tags with QR codes.

Marking on a curved surface without a rotary.

Marking from the side.
